

# QUEEN'S JUBILEE AND SUMMER FUN 2022

PUT TOGETHER BY COMMUNITY BUILDERS IN EXETER

If you have an idea, little or large, please get in touch with your Community Builder to talk it through, and then together we can find likeminded others to get things moving!

Here are a few ideas we Community Builders have heard of so far...  
What will you do? We'd love to hear more! :)

Picnic in a park    Small street parties    Talent showcases  
Craft activities    BBQs    Front Garden Jumbles

## Key point: No paperwork needed IF

- 1) Not on the road! (Instead perhaps a drive, parking area or garden)
- 2) Your party/get-together expects less than 50 people
- 3) The invitation is only to neighbours or the pocket community
- 4) No public advertising/flyers on public social media or outside local neighbourhood/street (OK for PRIVATE social media groups)
- 5) No professional hire services (i.e. bouncy castles, catering, large tech/musical set up.)
- 6) Music is allowed if 'unplugged' acoustic or battery operated speakers

If you do want to do an application to the council, remember that the deadline for some applications is the 23 April and it will also ask for copies of public liability insurance and risk assessments for the space (whether on or off the road on a green space). Contact us for more info on the above. Applications can be made at either:

(Green spaces:

[https://my.exeter.gov.uk/service/Notify\\_the\\_council\\_of\\_an\\_event](https://my.exeter.gov.uk/service/Notify_the_council_of_an_event)

Closing a road:
